INFORMATION PACKAGE

(25-27 September 2019)

SUITCASE

September in South Africa is Spring. Therefore, the temperatures you can expect for the duration of the conference will be in the high 20°C range. However, the nights do get cool, therefore we suggest packing a light jacket.

The presenters at the conference have a wealthy body of knowledge to offer, therefore we suggest that you pack a notebook and pen to take down valuable insights.

TRANSPORTATION

OR Tambo International Airport is located in Johannesburg and is connected to the rest of the world. From the airport, the most convenient and efficient mode of transportation to Pretoria is via the Gautrain.

Once you have landed, follow the signs in the airport to the Gautrain. You will have to load money onto a Gold Gautrain card. Travel on the Gautrain until you reach Marlboro station. At Marlboro station, board the train going to Hatfield station. Do not get off at Pretoria CBD station, but at Hatfield station. We suggest using Uber to get to your accommodation, however the Gautrain does have a bus service.
